# Company Overview

Al Saqr Al Ahmar Welding and Blacksmith LLC is a dynamic and trusted name in the UAE's metal works and fabrication industry. Established with a vision to deliver excellence in steel and metal craftsmanship, we have steadily grown into a reliable partner for a wide range of clients across commercial, industrial, and government sectors.

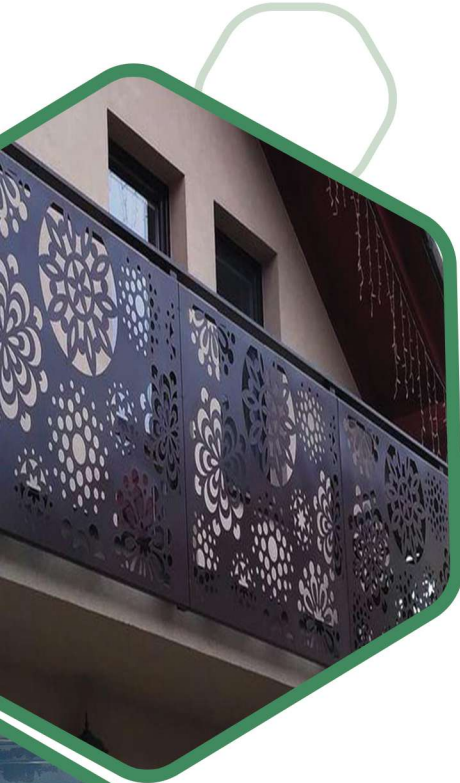

Our company specializes in all types of welding, steel fabrication, blacksmith works, CNC cutting, pipe installation, shed construction, maintenance, and custom metal structures. With a full-service workshop and a mobile team equipped for on-site execution, we offer turnkey solutions tailored to meet the unique demands of every project.

Backed by a team of skilled professionals and advanced machinery, we ensure high precision, durability, and quality in everything we deliver. From simple welding tasks to complex structural steel projects, Al Saqr Al Ahmar is known for completing work on time, within budget, and above expectations.

We are proudly serving prestigious clients including major contractors, oil & gas service companies, industrial firms, and private developers. Our commitment to safety, quality, and customer satisfaction has earned us long-term partnerships and repeat business across the UAE.

Whether it's maintenance, structural fabrication, or custom design works, we are driven by one purpose

To build your vision with strength,  
precision, and trust...

# Our Services

- Welding & Fabrication
- CNC Cutting & Bending
- Pipeline Works
- Shed & Pergola Construction
- Partition & Structure Work
- Sandblasting & Painting
- Aluminum & Stainless Steel Work
- Maintenance & Repair On-site and in-house repair services for steel structures, machinery, and fixtures to restore full functionality.

# What is Structural Steel Erection?

- On-site installation of steel beams, columns, trusses, and frameworks for buildings, warehouses, and infrastructure.

## Metal Staircase & Railing Fabrication

- Custom-designed staircases, handrails, and guardrails in mild steel, stainless steel, or aluminum.

## Steel Gate & Fence Fabrication

- Decorative and industrial gates, fencing, and boundary grills with powder coating or galvanizing options.

## Portable Cabin & Container Modification

- Fabrication and modification of portable site offices, containers, and storage cabins with ventilation and insulation.

## Industrial Mezzanine Floor Construction

- Steel mezzanine floors for warehouses, showrooms, and factories to maximize vertical space.

## Rolling Shutter & Steel Door Fabrication

- Fabrication and installation of manual or motorized rolling shutters, security doors, and fire-rated doors.

## Custom Metal Furniture

- Fabrication of office desks, storage racks, tables, and seating for industrial or commercial use.

## Heavy Equipment Repair & Welding

- Welding and repair of excavators, loaders, forklifts, and other heavy-duty construction equipment.

## Stainless Steel Kitchen Fabrication

- Commercial kitchen fabrication including sinks, tables, trolleys, shelves, and hoods.

## Pre-Engineered Building (PEB) Structure

- Design, fabrication, and erection of prefabricated steel structures for fast-track construction projects.

## Roofing & Cladding Work

- Installation of steel roof sheets, insulated panels and aluminum cladding for buildings and sheds.

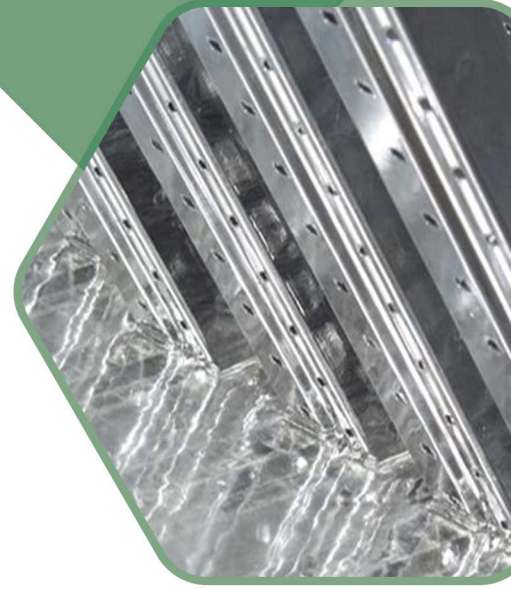

## Emergency Welding & On-Call Maintenance

- Rapid response mobile welding and maintenance support for urgent industrial breakdowns.

## Galvanizing & Zinc Coating Services

- Anti-corrosion galvanizing services for steel components to ensure long-term protection.

## Design & Engineering Services

- CAD drawings, load analysis, and material optimization for metal structures before fabrication.

## Health, Safety & Quality Assurance

We implement strict HSE (Health, Safety & Environment) policies and quality control procedures in every project, ensuring compliance with UAE safety standards.

## Equipment & Machinery

Equipped with modern tools including CNC machines, bending rolls, sandblasters, welding stations, and cutting machines for all-scale operations.

## Team & Workforce

Our team comprises skilled welders, fabricators, engineers, supervisors, and support staff with years of field experience and technical know-how

AL SAQR AL AHMAR  
WELDING & BLACKSMITH LLC

## Why Choose Us ?

Experienced team

High-quality workmanship

Timely project delivery

Competitive pricing

Strong client support

# Photo Gallery

# Vision & Mission

Vision: To be the leading provider of innovative and reliable metal fabrication and welding solutions in the UAE.

Mission: To deliver exceptional craftsmanship through advanced techniques, skilled labor, and a customer-first approach, ensuring long-term satisfaction and structural excellence.

# Core Values

Integrity: We work with honesty and transparency.

Quality: We deliver superior workmanship and materials.

Safety: We prioritize the health and safety of our team and clients.

Innovation: We adopt modern technology for efficient solutions.

Customer Satisfaction: We build long-term relationships through trust and performance.

# Licenses & Certifications

We are a fully licensed and certified company, meeting all regulatory and safety standards required by UAE authorities. Our team holds industry-recognized certifications that ensure compliance and quality assurance.

## Industries We Serve

We cater to a wide range of sectors including construction, oil & gas, infrastructure, aviation, commercial real estate, and residential developments.
